Exploring Color & Shape Workshop

Amanda Nadig, Instructor

Materials to bring:

- a piece of quilt batting (craft or crib-sized)
- any thread you enjoy handsewing with (Amanda loves DMC pearl cotton 12 and Aurifil 28wt)
- snips and/or scissors
- A few pins and/or safety pins
- Any needles to fit your thread (Amanda loves a multipack of milliners needles)
- thimble and needle puller (optional, but Amanda loves keeping her hands comfortable with her thimble!)
- Participants are welcome to bring a favorite piece of fabric to incorporate into their work (maybe an old garment or home textile?) but Amanda will be sharing a curated selection of fabric shapes in various substrates and textures that she has sourced second hand.
