Kid's Summer Fiber Arts Camp Guidelines & Additional Information

1. We are committed to giving your children the most fun possible, while also teaching them about fiber art materials & techniques. Please make sure that your child wears comfortable clothing and foot wear that is safe and may possibly become dirty or even **permanently stained**. We will be using gloves and aprons/coverings but splashes and spills will inevitably happen.
2. Children are to bring a bag lunch each day. Beverages (lemonade, fruit punch, juices) will be provided by the Museum. Water will be made available throughout the entire day.
3. We will be working with a number of different materials and liquids. All materials have been researched to ensure we do not use anything that may be toxic or harmful to your children.
4. All children will be expected to treat others with respect and courtesy. If a child exhibits behavior that is unacceptable, staff will enforce a short time out, followed by discussion with parent at time of pick-up. In the unlikely event that unacceptable behavior continues, child will no longer be able to attend the Camp and no refund will be issued.
5. Children will be offered a snack with beverage. Choice may include fruit, cookies, crackers, or (depending on heat) perhaps even a popsicle! We will be avoiding any food items with peanuts or peanut related ingredients. Please make sure you have told us of any other possible food allergies on the Registration Form.
