

## **Tataki Zome Workshop Supply list:**

Students should provide the following:

- At least one of the following tools to use as a hammer:
  - small metal hammer
  - rubber mallet
  - large metal serving spoon
  - palm sized smooth rock
- freshly picked botanicals from yard or flower bouquets (nothing dead or dried)
- thin yoga mat or plastic or wooden cutting board
- embroidery threads, needles, snips (optional)
- micron pens or watercolor pencils + watercolor brush (optional)

[the optional art materials will be ways to enhance the prints if anyone finishes early]
